Dear Tony,

Thank you very much for your email and your update.

The initiatives you have highlighted are fantastic for music in Wiltshire and I was delighted to hear of the grant made to the Wiltshire Music Centre through the Arts Council.

I look forward to being able to catch up in the new year and if restrictions allow I would very much like to revisit some of the venues supporting the provision of music coaching and entertainment with the Chippenham constituency.

Thank you once again, with very best wishes for Christmas and the New Year.

Kind regards,

**Subject:** Wiltshire Music Connect update

Dear Michelle,

Following my letter to you dated 14 July and your response dated 23 August I wanted to update you regarding music in Wiltshire schools and the valuable and highly skilled Wiltshire workforce that provides it.

Unlike my previous letter, there is no immediate call to action here but I wanted to up-date you on the status in your constituency so you are aware of and consider these issues.

I will continue to update you in 2021 and thank you for your support.

Kind Regards

**Tony Spath**
