

**School Music Recovery Fund
February 2021
Summary and Analysis by Cluster**

Following our November 2020 poll of music provision in Wiltshire schools, and as part of our #DontDropMusic campaign, Wiltshire Music Connect launched a small-grants scheme to support school music recovery. Schools in Wiltshire could apply for grants of up to £500 with the aim of getting music activity up and running again. The deadline was 27 January 2021 and we received applications from 42 Wiltshire schools. We were able to support 40 of those schools in their music recovery with activity taking place between February and July 2021.

Schools that have been successful in securing a grant can use the grant money to improve access where provision has been reduced or enable them to rethink their current/future music provision in light of Covid-19 and the knock-on effects.

SUMMARY

- Total number of applications received: 42**
- Number of applications funded: 40**
- Total amount of funding awarded: £16,603**
- Total amount of match funding from schools: £10, 782**
