

Invitation to join a county wide singing event for Make Music Day

Monday 21st June 2.15pm

Wiltshire Music Connect commissioned “Together” – a song for Wiltshire Schools during lockdown last year. To celebrate being together again in our schools we are inviting you to join us in singing the song wherever you are – in your playground, on your school field – or somewhere else (let us know!) at 2.15pm on Monday 21st June, which is international Make Music Day!

Our voices apart - but our song's the same...

All the free resources for learning and singing the song, including backing tracks, lyric sheets, and Makaton / signing videos (and improvising or writing your own lyrics to the song!) are on our website – and you can also find out about the composers Louise Jordan and Tim Gilvin - please click the link here:

Please let us know if you are aiming to join us – hopefully wherever they are in Wiltshire people will be able to hear the sound of children's voices singing together!

Composer / singing leader visit

There are a limited number of opportunities for a visit from the composers or a singing leader to help your school learn the song – click [here for details](#)
