

# TOGETHER

a song specially commissioned for Wiltshire Schools  
written by Louise Jordan and Tim Gilvin

## **chorus**

Together

Together

In homes and towns, round Salisbury Plain

Our voices apart, but our song's the same

Together

## **verse 1**

Through rolling fields and farming land

Under planes and on canals

We see beautiful butterflies landing on flowers

And oak trees waving us by

## **chorus**

## **verse 2**

On bustling high streets, in town halls

On roads and cycle paths on market stalls

We see rainbows in windows and signs to explore

And neighbours waving us by

## **chorus**

## **instrumental section**

## **verse 3**

From stones that have stood five thousand years

Cathedrals and castles built right here

We see factories and farms that went before

Our history waving us by

## **chorus**

Together

Together

In homes and towns, round Salisbury Plain

Our voices apart, but our song's the same

Together

Together
