Project One Dot is a singing and composition CPD programme for primary school teachers, including teachers who are not music specialists. We were overwhelmed with the practical success of this training programme which 12 Wiltshire primary schools took part in last year – so we’re now offering 12 school places for this year, **free** for Wiltshire Schools (worth £425). For dates, details and bookings see: wiltshiremusicconnect.org.uk/singing/

Places at all our other CPD courses can be booked here: bit.ly/musicCPDWiltshire

Funding

Development Fund - open to Associates, schools, and organisations in Wiltshire for participatory activity or projects for children / young people and / or professional development / training (CPD) for music leaders / teachers. Schools can apply for up to £1,000 next deadline Monday 14th October wiltshiremusicconnect.org.uk/funding/development-fund/

Other sources of funding - a list of other sources of funding can be found on our website here wiltshiremusicconnect.org.uk/funding/other-sources-of-support/

First Access

First Access is about providing whole classes or class groups with a formative opportunity to experience and enjoy music making. This should generally be offered by the end of Key Stage 2 – it’s also referred to as Wider Opportunities or Whole Class Ensemble Teaching (WCET). First Access can be delivered by non-specialist classroom teachers or by a specialist music tutor (see details of our Directory below).

Wiltshire Music Connect offers the following support for schools that want to deliver First Access:

- **iPads for First Access** – support in using iPads effectively + access to sets of iPads all set up for music making, FREE OF CHARGE
- **First Access in a Box** – a scheme that supports members of school staff to deliver First Access using Ocarinas, subsidised price of £100
- **e-Learning Subsidy** – we can cover 40% of the cost of purchasing e-learning platforms such as Charanga or Sound Trap that can be used to deliver First Access
- **Subsidy for First Access Tuition** – We can subsidise the cost of First Access tuition where it is delivered by one of our Associate tutors and/or a designated member of school staff
- **Access to First Access Instrument Sets** – subsidised instrument hire for your school

Instrumental and Vocal Tuition Subsidy

We want to make sure that learners from more challenging backgrounds can have sustained opportunities to learn about and experience music. We offer the following support for school-based tuition:

- 100% for Looked after by Wiltshire Council children – 1 instrument initially
- 70% reduction for Pupil Premium and FSM
- 70% reduction for SEN/disabilities
- 40% reduction for those unlikely to take up lessons due to economic or social circumstances – at school's discretion

Our funds are limited and we prioritise students that are continuing tuition rather than new starters.

Applications close on 30 September.

Singing Leader visit

If you'd like a singing leader to visit your school to help develop or start up your school choir and/or for teacher CPD / INSET contact ruth.jones@wiltshiremusicconnect.org.uk

Singing Repertoire Bursary

We can provide a Singing Repertoire Bursary to help schools and teachers access the best resources, songs and singing activities:

Instrument Hire Scheme

We want to make instruments accessible to children and young people in a way that supports their participation and progression and so we offer a subsidised instrument hire scheme that makes it affordable for all. Instruments can be hired to pupils and schools who are receiving tuition from an Associate Provider within a school setting.

Music Cluster Meetings and Music Cluster Funding

Music Clusters are mini Hubs that bring together musical communities at a localised level. Music Cluster meetings are attended by a broad range of people including school teachers, tutors, venues, organisations and societies. We encourage all Wiltshire schools to send representatives to Music Cluster meetings so that they can network with colleagues, share good practice, and access our Music Cluster Funding. We also produce an annual report on music in each cluster – the reports are all available to download from our website.

School Visits

We offer all schools in Wiltshire a FREE OF CHARGE visit from one of our Music Cluster Coordinators. This provides an opportunity to discuss the music provision in your school with a music specialist and identify ways of improving the offer for your pupils and celebrating your musical achievements. After the visit you will receive an individual School Music Report, written by our Cluster Coordinator, that you can present to Governors, use in performance management meetings, and if needed, show to Ofsted.
