Instruments can be hired to pupils and schools who are receiving tuition from an Associate Provider within a school setting. wiltshiremusicconnect.org.uk/instrument-hire-scheme

School Visits

We offer all schools in Wiltshire a FREE OF CHARGE visit from one of our Music Cluster Coordinators. This provides an opportunity to discuss the music provision in your school with a music specialist and identify ways of improving the offer for your pupils and celebrating your musical achievements. After the visit you will receive an individual School Music Report, written by our Cluster Coordinator, that you can present to Governors, use in performance management meetings, and if needed, show to Ofsted.

Whole Class Ensemble Teaching (WCET)/First Access

Whole Class Ensemble Teaching (WCET) is about providing whole classes or class groups with a formative opportunity to experience and enjoy music making. Although this usually takes place during KS2 under the banner of First Access, there is no reason why KS3 pupils can't also benefit. Many secondary schools are now exploring innovative ways of providing WCET for their KS3 cohorts.

Wiltshire Music Connect offers the following support for schools that want to deliver WCET/First Access:

- **iPads** – support in using iPads effectively + access to sets of iPads all set up for music making, FREE OF CHARGE
- **e-Learning Subsidy** – we can cover 40% of the cost of purchasing e-learning platforms such as Charanga or Sound Trap that can be used to deliver WCET/First Access
- **Subsidy** – We can subsidise the cost of WCET/First Access tuition where it is delivered by one of our Associate tutors and/or a designated member of school staff

- **Access to Instrument Sets** – subsidised instrument hire for your school

Music Cluster Meetings and Music Cluster Funding

Music Clusters are mini Hubs that bring together musical communities at a localised level. Music Cluster meetings are attended by a broad range of people including school teachers, tutors, venues, organisations and societies. We encourage all Wiltshire schools to send representatives to Music Cluster meetings so that they can network with colleagues, share good practice, and access our Music Cluster Funding. We also produce an annual report on music in each cluster – the reports are all available to download from our website.
